

Simple Energy Wise Tips

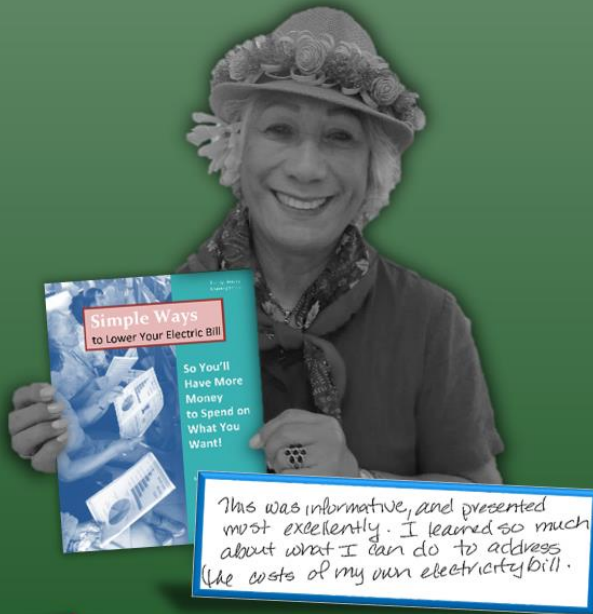

Workshop

Helen Wai

Serving island communities for over 15 years

Learn how to take action and save on your electric bill – presented in easy to understand terms with real-life success stories from throughout Hawai'i.

Tips

- By shortening every hot shower just two minutes, a family of four can save \$163 every year.
- Not using your coffeemaker to keep your coffee hot can save \$325 a year.
- Unplugging video game consoles connected to your television can save you \$???.00 a year.

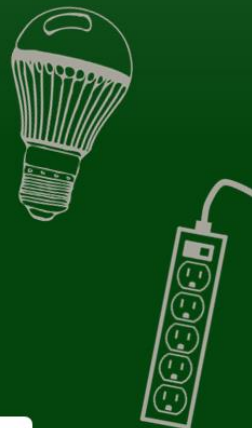

Come to the workshop for the answer and hear lots more energy-saving tips!

Monday, May 15; 6:00 pm – 7:00 pm
Waimea Neighborhood Center
