KIUC Conducts Member Satisfaction Survey

Līhu'e, Kaua'i, HI – 07/13/16 - Kaua'i Island Utility Cooperative (KIUC) is conducting a telephone survey of its members to determine their overall satisfaction with the quality of service they receive from the cooperative.

KIUC has hired Ward Research of Honolulu to conduct the survey.

The survey is designed to take about 5 minutes to complete. Interviewers will be randomly calling landline and cell phone numbers on Kaua'i starting July 15 through July 27.

Responses to the survey are anonymous and are used to help KIUC improve service and address concerns expressed by members.

Members with questions about the survey can call Member Services at 246-4300.
